

The screenshot shows a Windows 10 desktop environment. A 'Command Prompt' window is open, displaying the command `C:\Users\windows10\Documents\node>docker image ls` and its output. The output lists several Docker images with their tags, IDs, creation times, and sizes. The desktop background is a video call window showing a person's face. The taskbar at the bottom contains icons for Google Chrome, Umar Khalid DDS.docx, Wondershare PDFElement, StarTech.com, and CVJobFair1... The system tray shows the date and time as 8:29 AM on 6/5/2022.
